Comments

We do not prorate for holiday months as missed classes, studio closures have already been considered when determining the tuition rates for the 2020-2021 season. Some months have 3 weeks and others have 5 weeks which averages out to 4 weeks/month over the course of our season. Our course tuition is a membership. We accept 1_2 month tuition during September and December months towards monthly paying students.

Class Recoup Policy: Refunds will not be given for missed class. A missed class may be Recuperated within 1 month of the absence by attending another class of the appropriate age/level or taking a class online. Recuperations may be extended longer due to Covid related absences.
